## ***President's View***

First of all I would like to apologize to Ingrid Melter for printing her name without her permission in the Heidelberg Post Newsletter for the purpose of informing the members of her alleged claim against Club Heidelberg.

An agreement and settlement has been reached.

I hope everyone had a wonderful Christmas Holiday Season among family, friends and members. December was an extremely busy month for the Board and all the volunteers who helped to organize 2 dinner dances and the Christmas Show from Germany, Austria and Switzerland. The hall was exceptionally well decorated for the festive occasions. Everyone appreciated the comfortable ambience that was presented. Everybody had a lot of fun; laughter and good fellowship made for good times. If you didn't attend then ask someone who was there, to find out what you missed.

***\*\*Today well lived, makes yesterday a dream of happiness  
and tomorrow a vision of hope\*\****

2011 is behind us and 2012 has even more significance - it is Club Heidelberg's 60<sup>th</sup> Anniversary. We are looking for volunteers to offer ideas, suggestions and support to help remind the St. Catharines Community of the German Immigrants contribution. Your pictures, stories and experiences would be helpful. Drop them off at Club Heidelberg during Office Hours or e-mail them to me.

***\*\*It's not where we stand, but in what direction we are moving\*\**** **Goethe**  
Elections are coming up on Feb. 19<sup>th</sup>. Now is your chance to make a difference. I wish everyone a Happy, Prosperous and most important Healthy 2012.

**Our Condolences to the families of John Hildebrandt and Helga Sauter.** Two long time Members who just passed away recently. Their commitment and dedication to the Club will be greatly missed. Even though they are not with us in body, in spirit they will always be with us.

## Important

The Annual Membership Meeting with elections will be held on Sunday February 19<sup>th</sup> at 2:00 p.m. in the Main Hall. Please mark the date on your Calendar. This is a very important year for Club Heidelberg which has reached the 60 year milestone.

We look forward to making this a truly memorable event for everyone involved. This is the time to recognize the dreams and inspirations that a lot of former members had and through their dedication and hard work we now have a place for all to enjoy.

We had a couple of excellent shows from Europe which included quite a few young entertainers that proved there is still demand for German Music. Of all the Clubs they toured Club Heidelberg has one of the best locations with 100's of German speaking citizens within walking distance of the Club, unfortunately it was also the one of the least attended. Just ask those that attended they will verify that the German Music did not stop with Freddy Quinn, Peter Alexander and Tony Marshall. We made great efforts and booked another show in the Springtime. Please try not to miss this one since it may be one of the last ones; it will take place on Wednesday, March 21<sup>st</sup>, 2012. Come out, see and experience for yourself what you had been missing.

**Club Heidelberg's Freunde Deutscher Filme**  
**German Movies every 2<sup>nd</sup> Sunday**
